

Slitting Rings

Product Categories: [Shear Cut Knives](#), [Circular Knives](#)

Product Page: <https://www.dienesusa.com/products/circular-knives/shear-cut-knives/slitting-rings/>

Product Summary

Dienes Coporation provides all types of knives. These particular knives or cutting rings use a holder that has a removable cutting edge. This cutting edge is held in place with a snap ring. Both sides of the ring can be used for cutting. Once the edge is dull you can discard the ring. For more information contact the experts.
